Dear General Gehlen,

Ruth and I wish to extend our greetings and warmest wishes with regard to your 65th birthday. We hope that you will be able to enjoy it in good health and in the company of your family.

We find it difficult to realize that five years have passed since you celebrated your 60th anniversary which we continue to remember so fondly. Although I visited your home several times, that birthday celebration stands out so vividly in my memory.

Nothing has really changed for us here since my note to you at Christmas. We are all in good health and continuing to enjoy working and living in the U.S.A.

I have heard, of course, that C will be going back to Munich and I know how happy he and his family must be. It's a shame that the house they used to live in on Forstweg is no longer available. I think that would make the assignment to Munich a real home-coming.

Again, we wish you, your wife and the children all of our best and look forward to seeing you in the United States whenever you come.

Most sincerely,

DB-0016638
